About Metlink

Metlink is the 'one-stop-shop' for customer information about public transport services, fares and ticketing.

The Metlink website and call centre provide details of fares, services and timetables, as well as the opportunity to provide feedback. The website features an easy to use journey planner that allows you to plan your journey, from start to finish anywhere in Victoria.

For more information on public transport services or help planning your next journey, contact 131 638 (6am–midnight daily) or visit metlinkmelbourne.com.au.

Travelling with Metcard

Melbourne's automated ticketing system operates on all train, tram and bus services in the metropolitan area with electronic-encoded tickets called Metcards.

Pre-purchase Metcards from Customer Service Centres at Premium Stations, Metcard ticket machines at stations, retail agents across Melbourne displaying Metcard signs, the MetShop at the Melbourne Town Hall on the corner of Swanston and Little Collins streets and at the Melbourne Visitor Centre at Federation Square. A limited selection of Metcards is also available on most buses.

Buying the right Metcard

Fares for travelling on Melbourne's trains, trams and buses are separated into two zones: Zone 1 for inner-city and Zone 2 for the middle and outer suburbs.

Please note: tickets need to be valid for each zone travelled in; however, when travelling in a zone boundary overlap, the ticket can be valid for either zone.

Value Metcards

A Value Metcard is the smartest way to buy your public transport rides. There are a range of Value Metcards including 10 x 2 hour, 5 x Daily, Weekly, Monthly and 5 x Weekend Daily Metcards.

You can buy the full range of Value Metcards from metlinkmelbourne.com.au, retail outlets displaying the blue Metcard sign, the MetShop, by calling the Metcard Helpline on 1800 652 313 or from ticket windows at Premium Stations.

Validating your Metcard

Metcards must be validated each time you board a bus or tram at the start of your journey and before entering a train platform.

Travelling on a concession Metcard

Concession fares priced at around half the full fare for most ticket types, are available for children aged 16 years and under and holders of approved concession cards.

Concession cards must be carried at all times and produced on request. Failure to do so could result in a fine. Children under the age of four years travel free on all services.

Visit metlinkmelbourne.com.au for concession entitlement information.

Ticket refunds and replacements

Under certain conditions, refunds or replacements are available for damaged or faulty tickets.

Visit a Premium Station or the MetShop, call the Metcard Helpline on 1800 652 313 or visit metlinkmelbourne.com.au for a Metcard Refund/Replacement Application Form.

For ticket or equipment malfunctions call the Metcard Helpline on 1800 652 313.

Travelling with prams, bikes and pets

Prams, pushers and baby carriages can be carried free of charge at all times. Only folding bikes in bags are allowed on buses.

Guide dogs, hearing guide dogs and guide dogs in training can travel free on all public transport services. Small pets can travel free of charge, however on buses and trams, they must travel in a suitable container.
