About Metlink

Metlink is the ‘one-stop-shop’ for customer information about public transport services, fares and ticketing. The Metlink website and call centre provide details of fares, services and timetables, as well as the opportunity to provide feedback.

For more information on public transport services, tickets, concession entitlements or help planning your next journey visit metlinkmelbourne.com.au or call **131 638** 6am – midnight daily (TTY 9619 2727).

About Invicta

Invicta began operating in 1936 and developed over the war years. By 1947, Invicta was running scheduled routes in Bayswater, Bickleigh Vale, Golf Links, Croydon and Croydon North.

Invicta operates 12 TeleBus services in Melbourne’s eastern suburbs. Residents can request to be picked up or dropped off at their door.

All new Invicta buses are low floor and wheelchair accessible.

Lost property

Items found on board buses are returned to the bus depot. Please call Invicta Bus Service on 9737 2000.

Tickets

Melbourne is progressively making the switch to a new ticketing system called myki. While this is happening you will notice two types of ticketing equipment on the public transport network. During this time the number of myki sales and top up outlets will gradually increase.

You can choose to use either Metcard or myki to travel on Melbourne’s trains, trams and buses. The existing Metcard ticketing system can still be used and will run alongside myki until December 2012. You can continue using Metcards until advised otherwise, or you can make the switch to myki when you’re ready.

It is best to pre-purchase your ticket as only limited selections of tickets are available on board buses.

Zones

Fares for travelling on Melbourne’s trains, trams and buses are separated into two zones: Zone 1 for inner-city and Zone 2 for the middle and outer suburbs.

Using the network maps, check what zones you are planning to visit and make sure you have a ticket that covers your entire journey.

Please note tickets need to be valid for each zone travelled in. However, when travelling in a zone boundary overlap, the ticket can be valid for either zone.

Travelling on concession fare

Children aged three years and under travel free. Concession fares are available if you are aged four to 16 years or hold an approved concession card. Whenever you travel on a concession fare, you must carry the correct entitlement. Failure to produce your valid concession card on request may result in a fine.

Travelling conditions

Shopping jeeps, prams, pushers and baby carriages can be carried free of charge at all times. Only folding bikes in bags are allowed on buses – size restrictions apply. Surfboards are not permitted on buses. Guide dogs, hearing guide dogs, guide dogs in training and animals with an Assistance Animal Pass can travel for free on all public transport services. Small animals can travel for free but must be in a suitable container. Visit metlinkmelbourne.com.au or call **131 638** 6am – midnight daily for details.

Accessibility

Over 70 per cent of Melbourne’s bus services are wheelchair-accessible on weekdays, and over 95 per cent on weekends and public holidays. Accessible services are shown with a wheelchair symbol on the front of the timetable booklet or next to the relevant service.

If your service is not accessible, bus companies will try to schedule a low-floor bus for you, provided adequate notice is given. It is best to contact the bus company the day before you travel. Please call Invicta Bus Service on 9737 2000.
